Sprint 2 Plan

User Story 1: As a user, I want to be able to upload audio links and have them display correctly on the page
Task 1: Allow user to put embedded links in posts without exposing our server to embedded links (HTML safe) (10 hours)
Total for User Story: 10 hours

User Story 2: As a user, I want to be able to navigate around the website to be able to explore other users' posts
Task 1: Create pages to allows user to navigate to other users' home pages (5 hours)
Total for User Story: 5 hours

User Story 3: As a user, I want to be able to comment on other users' posts
Task 1: Create the comments model and allow users to comment on posts (any user) (10 hours)
Total for User Story: 10 hours
